## Overseas opportunity for young ex-FLOSC Futsal Players

As we're sure most of you know, Soccer and Futsal is a very popular sport here at FLOSC. 2 local brothers and ex-FLOSCers, Aiden (14) and Lachlan (15), have been selected to play for the Australian Futsal Team and they could not be happier! When the boys attended here as children, it was hard to get the soccer ball away from their feet. It's great to see that they have pursued this passion, which has taken them to such high levels at such young ages! With their selection, they have been given an awesome opportunity to travel overseas- Aiden to the UK in October and Lachlan to Brazil in November to represent their country.

To help fund these trips, very proud mum, Tamara, has created a GoFundMe page. If you are willing to donate to support this local family, jump on over to- <https://www.gofundme.com/suitor-boys-australian-futsal-team> (or search "Suitor Boys Australian Futsal Team" into GoFundMe).

We hope the boys get to take up this amazing opportunity and we wish them the best of luck with their futsal and soccer careers! Here at FLOSC we are so proud of all of your hard work and effort.

## NAIDOC CELEBRATIONS

NAIDOC week is a national celebration of Indigenous Culture. NAIDOC Week 2018 will celebrate the invaluable contributions that Aboriginal and Torres Strait Islander women have made – and continue to make - to our communities, our families, our rich history and to our nation. Under the theme - Because of her, we can! - NAIDOC Week 2018 will be held nationally from Sunday 8 July and continue through to Sunday 15 July. Here at FLOSC we take pride in integrating indigenous culture into our curriculum through various games and craft activities- exposing the children to different Indigenous Australian themes. During Vacation Care we are dedicating two days of our program to celebrate NAIDOC week- we will also have special visitors, one of them being Chad Briggs. Chad is a local Indigenous artist, who will be coming to our centre for the whole second week of the school holidays to work with the children to create an Indigenous mural. We have been asking the children for lots of suggestions, but we're still looking for more, as we want this mural to represent everyone here at FLOSC.

## Our Kitchen Rules

We have had lots of smiling faces each day at afternoon tea lately and that's because this term we have redesigned our menu, which the children are loving! We incorporated feedback from children, using seasonal recipes and incorporating different cultural foods. Some of our changes include the addition of chicken wings, soup, stir-fry, tuna patties and falafel. We are always looking for new ideas- maybe you have a recipe your family at home enjoy, or some cultural food you would like to try! We would love for you to fill in the section at the bottom and give us some feedback and new ideas to try.
