CHILDREN ARE OUR MOST VALUABLE RESOURCE

THIS WEEK AT FLOSC

This week at FLOSC was so much fun. We did some more cultural cooking and made some Yiros to celebrate the Paniyiri Greek Festival. The kids absolute loved them and enjoyed learning through this awesome experience. We also got stuck into our sewing this week learning how to sew on the sewing machine. The kids are really enjoying sewing and are starting off quite simple but slowly getting the hang of it. We also did some more physical activities this week like wrestling which was a real challenge for the kids, especially for those who had to verse their siblings. It was a really great activity which fostered resilience and determination in the kids. Another really exciting activity for the kids was rock painting. The kids got to paint the rocks however they wanted and it was amazing to see the kids creativity and imagination run free allowing for them to develop independent thoughts and ideas. We even had some parents who were really excited about the rock painting and said it reminded them of their own childhood.

WEEKLY REMINDERS

Remember to bring in your plastic bottles for us to take into the collection centre. All money raised will be donated back into the community through a local charity.

THE KIDBIT

This week on the Kidbit, Charlotte tells us about how she learnt how to swim.

The first time I learnt to swim, my swimming lesson were at St Marys. I had lessons before and then three months later I had a relief teacher and the teacher said she'd hold me but she let go of me. I knew how to float on my belly but not on my back. When the teacher did that to me I did not like that at all and I felt very scared. I hated the teacher for a while but what she did taught me how to swim. Every time she walks by I wave to her. Now I can do rockets, freestyle and can hold my breath for 22 seconds.

THE KID'S ZONE! Weekly Riddle

I have towns, but no houses, rivers but no water, forests but no trees, and mountains but no rocks. What am I?

Stay tuned for next week's newsletter where you'll find out the answer!

Last Weeks Answer! A Watermelon!

WIN an icy cup if your first to guess the correct answer!

Ingredients

1 cup whole milk, warm

¼ cup sugar

3 tsp instant or active dry yeast

3 egg yolks

100g melted butter

3 1/4 cups plain flour

½ tsp salt

Oil for frying

Sugar mix

1 cup sugar

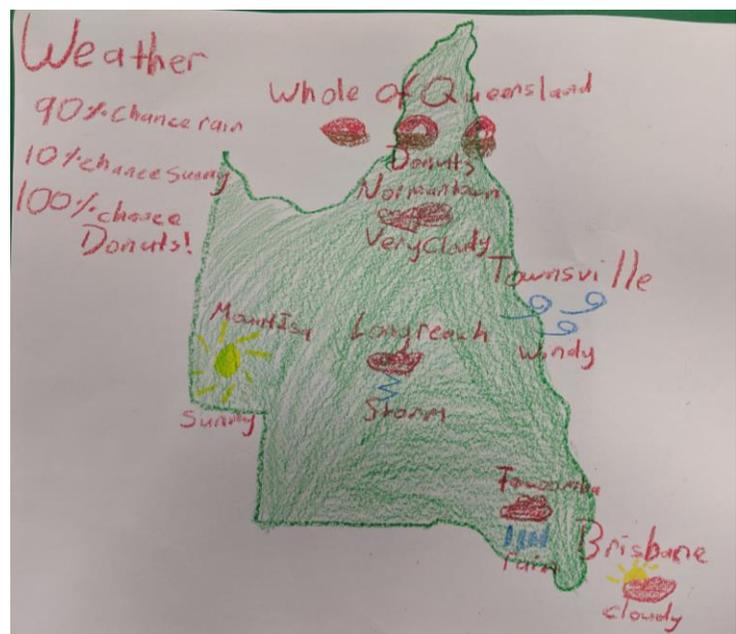

2 tsp cinnamon

How To Make Doughnuts

1. Combine flour, sugar, yeast and salt in a bowl.
2. Make a well. Mix in milk, butter and egg until dough starts to come together.
3. Knead on a well-floured surface until smooth. Roll out dough until 1 cm thick and rest for 2 minutes.
4. Use an 8cm round cutter to cut out discs and use a 3.5cm round cutter to cut out centers.
5. Place on a tray and set aside for 15 minutes to rise.
6. Combine extra sugar and cinnamon on a tray.
7. Heat oil to 180C and deep fry doughnuts for 40 seconds each side or until puffed and golden.
8. Transfer the doughnuts to the sugar mixture and turn to coat.

Now I know people **DONUT** care much about the weather but today Stephanie's forecast showed something very strange which I think you'd be interested to see.
